stereotypes that funny. They of
people. Even , they put people in a light. When
we see of stereotypes, we at them. This is not
nice. It's not good to laugh at a I think stereotypes do harm in
the world. They don't really people together. I don't fit the
stereotype of people from my I don't carry an
and I don't tea.

In social psychology, a **stereotype** is an over-generalized belief about a particular category of people.
It is an expectation that people might have about every person of a particular group.
