Task 3: Read and choose True or False

Hi kids! My name is Nick and I'm ten years old. I live in a beautiful city called Springfield, in USA. My mother's name is Marge and she is a housewife. My father's name is Homer and he works in a hospital. Also, I have got two sisters, Lisa and Mary.

Everyday I get up early in the morning. I get dressed and have delicious breakfast. Then I catch the bus to school. Classes start at eight o'clock and finish at half past three. My favourite subject is Physical Education. We do some exercise and play sports. I hate Maths because I find it really boring.

When I arrive home, I have a nap. Then I do homework and watch TV. Later, I walk the dog. Its name is Santa. After that, I meet friends. We have fun together. We like playing videogames, riding our bikes, surfing on the internet, reading comics. I have dinner at half past nine. Then I brush my teeth and I go to bed at ten o'clock because I am really sleepy at that time.
