

Life's like a road that you travel on
When there's one day here and the next day
Sometimes you bend, sometimes you stand
Sometimes you turn your back to the wind
There's a world outside every darkened door
Where blues won't haunt you
Where the brave are free and lovers soar
Come ride with me to the distant

We won't hesitate
To break down the garden gate
There's not much time left today, yeah

Life is a
I wanna ride it all night long
If you're goin' my way
I wanna drive it all night long

Through all these cities and all these towns
It's in my blood and it's all around
I love you now like I loved you then
This is the road and these are the
From Mozambique to those Memphis nights
The Khyber Pass to Vancouver's lights
Knock me down, I'm back up again
You're in my blood, I'm not a lonely man

There's no load I can't hold
The roads are rough, this I know
I'll be there when the light comes in
Just tell 'em we're

Life is a highway
I wanna ride it all night long (Woo)
If you're goin' my
I wanna drive it all night long (All night long)
A gimme, gimme, gimme, gimme, yeah
Life is a highway
I wanna ride it all night long (Hmm, yeah)
If you're goin' my way (You're goin' my way)
I wanna drive it all night long (All night long)
