

Reading Passage 10: Weather

The Weather Today

Today is Monday. The weather is very different in different parts of the country. In the north, it is cold and snowy. People wear coats, hats, and gloves. In the south, it is sunny and hot. People wear shorts and T-shirts. In the east, it is rainy. People use umbrellas and raincoats. In the west, it is windy. People wear jackets and scarves. The weather can change very quickly. It is important to check the weather forecast every day.
