- 3) As you know, not all the verbs are compatible with the progressive aspect. Here below a list with verbs among which, some cannot be used in the present continuous form. Read them carefully and spot the ones that cannot be used in the present continuous form.

Model: think

I am thinking of buying a new washing machine. – Correct, this verb is compatible with the progressive aspect.

Model: understand

I am understanding your words completely. - Incorrect, this verb is not compatible with the progressive aspect.

As per the model above, please check the compatibility with the progressive aspect by making your own sentences:

- 1) Love: \_\_\_\_\_ with the progressive aspect
- 2) Own: \_\_\_\_\_ with the progressive aspect
- 3) Mind: \_\_\_\_\_ with the progressive aspect
- 4) Seek: \_\_\_\_\_ with the progressive aspect
- 5) Appear: \_\_\_\_\_ with the progressive aspect
- 6) Expect: \_\_\_\_\_ with the progressive aspect
- 7) Wish: \_\_\_\_\_ with the progressive aspect
- 8) Like: \_\_\_\_\_ with the progressive aspect
- 9) Weigh: \_\_\_\_\_ with the progressive aspect
- 10) Contain: \_\_\_\_\_ with the progressive aspect
