

FAMILY MEMBERS & THE POSSESSIVE CASE

1 Activity 1: Read & Match (The Royal Family)

Read the text and match the family words.

King Charles III is the King of the United Kingdom. His wife is Queen Camilla, she is King Charles's partner in life and work. William is King Charles's son. Catherine, Princess of Wales, is William's wife. William and Catherine have three children: George, Charlotte, and Louis.

Harry is King Charles's second son. Meghan, Harry's wife, is also part of the royal family. Meghan and Harry have two children: Archie and Lilibet.

Person	Family Role
Catherine	a) King Charles's wife
Archie	b) William's wife
Camilla	c) Harry's son
Lilibet	d) William's brother
Meghan	e) William's son
William	f) King Charles's son
Harry	g) Harry's daughter
George	h) Harry's wife

2 Activity 2: Complete the Sentences (The Jolie-Pitt Family)

Use the possessive case ('s) to complete the sentences.

Angelina Jolie and Brad Pitt are famous actors. They have six children: Maddox, Pax, Zahara, Shiloh, Knox, and Vivienne. Maddox is their adopted child. Vivienne and Knox are twins. Angelina's father is Jon Voight. Brad's brother is Doug Pitt.

1. Maddox is _____ adopted child.
2. Vivienne is _____ twin.
3. Doug is _____ brother.
4. Jon Voight is _____ father.
5. Knox is _____ son.

3 Activity 3: True or False? (The Obama Family)

Read and decide if the sentences are true () or false (X).

Barack Obama is the former president of the USA. Michelle Obama is Barack's wife. They are a famous couple. They have two daughters: Malia and Sasha. Barack's mother-in-law is Marian. Marian is Michelle's mother. The Obamas have no sons. The family loves spending time together.

Sentences:
