

Listen to the song and fill in the blanks with the words you hear.

# MY FAMILY

By *KidsCastle*

Oh, Family, oh, family!

Oh <sup>1</sup> \_\_\_\_\_, oh families!

Family, family,  
we're a family.

Oh, Families, oh, families,  
Many kinds of families.

Some families are big.

<sup>2</sup> \_\_\_\_\_, <sup>3</sup> \_\_\_\_\_,  
<sup>4</sup> \_\_\_\_\_ and <sup>5</sup> \_\_\_\_\_.

Some families are small.

<sup>6</sup> \_\_\_\_\_, <sup>7</sup> \_\_\_\_\_ and  
me.

Family, family,  
I love my family.  
Oh, Families, oh, families,  
many kinds of families.

Family, family,  
we're a family.

Oh, Families, oh, families,  
many kinds of families.

Some families are the  
same <sup>8</sup> \_\_\_\_\_.

Some families are different colors.  
None of them are right or wrong,  
they are just different.

Family, family

I love my family.

Oh Families, oh families,  
many kinds of families.

One bakes the bread

and another plays <sup>9</sup> \_\_\_\_\_.

One goes fishing  
and another likes to <sup>10</sup> \_\_\_\_\_.

Fa fa family!

Family, family

I love my family.

Oh, Families, oh, families,  
many kinds of families.

Family, family,

I love my family.

Oh, Families, oh, families,  
many kinds of families.
