Complete the lyrics: review tenses + used to

Now and then I think of when we _____ together
Like when you said you felt so happy you could die
Told myself that you were right for me
But _____ so lonely in your company
But that _____ love and it's an ache I still remember

You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So when we found that we could not make sense
Well, you said that we would still be friends
But _____ that I was glad it was over

But you didn't have to cut me off
Make out like it never _____ and that we were nothing
And I don't even need your love
But you treat me like a stranger and that _____ so rough

No, you didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I _____ that though

Now you're just somebody that I _____ know (repeat x3)

Now and then, I _____ of all the times you screwed me over
But had me believing it was always something that I _____
But I don't wanna live that way
Reading into every word you _____
You said that you could let it go
And I wouldn't catch, you hung up on
Somebody that you used to know

But you didn't have to cut me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough

And you didn't have to stoop so low
Have your friends collect your records
And then change your number
I _____ that I don't need that though
Now you're just somebody that I used to _____
