Healthy habits are things we do every day to take care of our bodies and minds.

Eating well: This means choosing foods that are good for us, like fruits, vegetables, and lean proteins. It's important to eat a lot of foods and to avoid sugar.

Staying active: We can do this by playing sports, going for walks or even dancing. Aim for at least 30 minutes of exercise most days of the week.

Getting enough sleep: Sleep is like recharging our batteries. Sleep is important because it helps our bodies and minds rest and repair themselves. Most adults need around 7-9 hours of sleep each night, while kids and teens need even more.
