

**Jake:** Did you hear Sarah missed her flight?

**Ella:** Yeah! She was stuck in traffic.

**Jake:** She \_\_\_\_\_ (1) (to take) the train. It would've been faster.

**Ella:** True. If she hadn't overslept, she \_\_\_\_\_ (2) (to leave) earlier.

**Jake:** Exactly. She \_\_\_\_\_ (3) (to make) it on time with just a bit more planning.

**Anna:** You play the piano so well!

**Tom:** Thanks! I \_\_\_\_\_ (4) (to play) by ear when I was a kid.

**Anna:** Seriously? That's impressive.

**Tom:** Yeah, I never needed sheet music. I \_\_\_\_\_ (5) (to figure) out melodies just by listening.

**Anna:** Wow. I \_\_\_\_\_ (6) (not, to play) "Twinkle Twinkle" back then.

**Nina:** How did your driving test go?

**Liam:** I passed! It was tough, but I \_\_\_\_\_ (7) (to stay) calm the whole time.

**Nina:** That's great! Was it hard?

**Liam:** Yeah, especially the parallel parking. But I \_\_\_\_\_ (8) (to do) it on the first try.

**Nina:** I remember I only \_\_\_\_\_ (9) (to park) after my third attempt!

**Maya:** Did you like school growing up?

**Leo:** I did. I \_\_\_\_\_ (10) (to draw) pretty well, so I loved art class.

**Maya:** That's cool. I \_\_\_\_\_ (11) (to memorize) poems easily, so literature was my thing.

**Leo:** Lucky! I \_\_\_\_\_ (12) (not, to remember) anything for exams!

**Emily:** You didn't go to the concert?

**Josh:** No, I didn't get tickets in time. I \_\_\_\_\_ (13) (to buy) them last week, but I waited.

**Emily:** That's a shame.

**Josh:** Yeah. If I had checked earlier, I \_\_\_\_\_ (14) (to see) them live.

**Emily:** You \_\_\_\_\_ (15) (to ask) me! I had an extra one.

**Olivia:** Did you fix your phone?

**Sam:** Yeah, I finally \_\_\_\_\_ (16) (to replace) the screen myself.

**Olivia:** Impressive! I wouldn't know where to start.

**Sam:** It took hours, but I \_\_\_\_\_ (17) (to follow) a YouTube tutorial.

**Olivia:** You actually \_\_\_\_\_ (18) (to fix) it?

**Sam:** Yep! And it still works!
