

## CONTROLLED PRACTICE

**Daniel:** How did the presentation go?

**Rachel:** It was rough at first, but I \_\_\_\_\_ (1) (to calm) down after the first few minutes.

**Daniel:** That's good! Public speaking is tough.

**Rachel:** Yeah, but I \_\_\_\_\_ (2) (to answer) all the questions at the end.

**Daniel:** So you \_\_\_\_\_ (3) (to get) your point across!

\*\*\*

**Sophie:** Did you speak any other languages as a kid?

**Ben:** Yeah, I \_\_\_\_\_ (4) (to speak) some French. My grandma used to teach me.

**Sophie:** That's amazing. I only \_\_\_\_\_ (5) (to speak) basic Spanish in school.

**Ben:** I've forgotten most of it now, though. I \_\_\_\_\_ (6) (to understand) cartoons, but not anymore!

\*\*\*

**Liam:** Did you try out for the basketball team?

**Zara:** No, I sprained my ankle the day before.

**Liam:** Oh no! You \_\_\_\_\_ (7) (to make) the team, for sure.

**Zara:** I know. If I hadn't gotten injured, I \_\_\_\_\_ (8) (to play) in the tournament.

**Liam:** You \_\_\_\_\_ (9) (to help) us win!

\*\*\*

**Emma:** How did you get that old laptop working again?

**Noah:** I \_\_\_\_\_ (10) (to reset) the whole system without losing my files.

**Emma:** Seriously? I thought it was dead.

**Noah:** I almost gave up, but I \_\_\_\_\_ (11) (to fix) the hard drive.

**Emma:** So you actually \_\_\_\_\_ (12) (to save) everything?

\*\*\*

**Lena:** Were you sporty as a kid?

**Jay:** Kind of. I \_\_\_\_\_ (13) (to run) really fast back then.

**Lena:** I bet you were on the track team.

**Jay:** Yeah! And I \_\_\_\_\_ (14) (to win) a few races in middle school.

**Lena:** I \_\_\_\_\_ (15) (not, to finish) a lap without getting tired!

\*\*\*

**Ivy:** Did you get your wallet back?

**Marcus:** Yeah, I \_\_\_\_\_ (16) (to find) it under the car seat.

**Ivy:** That's lucky! I thought it was lost for good.

**Marcus:** Me too. But I \_\_\_\_\_ (17) (to call) the café before they closed.

**Ivy:** So you \_\_\_\_\_ (18) (to track) it down just in time!

\*\*\*

**Mia:** Did you watch the eclipse last night?

**Jonah:** No, I forgot it was happening.

**Mia:** Really? You \_\_\_\_\_ (19) (to see) it from your balcony!

**Jonah:** I know... If I hadn't been on my phone, I \_\_\_\_\_ (20) (to catch) it.

**Mia:** It was amazing. You \_\_\_\_\_ (21) (to take) some great photos too!
