

Vegetables

Vegetables are good for your body. They help you stay strong and healthy.

- 🥒 Cucumbers have a lot of water. They help you stay cool on hot days.
- 🥕 Carrots are orange now, but long ago, they were purple!
- שום Onions can make you cry. They have strong smells.
- שום Garlic is good for your body. It can help you feel better when you are sick.
- 🌽 Corn is yellow and sweet. You can eat it hot or cold.
- 🥦 Broccoli looks like a small tree. It is green and very healthy.
- 🍠 Sweet potatoes are soft and sweet when you cook them.
- spinach Spinach is a green vegetable. People first grew spinach in Persia (a long time ago).
- 辣椒 Peppers can be sweet or hot. They are part of the Capsicum family.

Nina loves to eat vegetables. Her favorite vegetables are carrots, broccoli, and corn.
