

Task 19

Fill in the box with expressions of asking and giving opinion from Karim and Khansa's dialogue.

Karim: What is your opinion about P.E class, Khansa?

Khansa: Oh, I think it is amazing! I love P.E class because we can be more healthy.

Karim: Yeah me too. By the way, what do you think about going to buy ice cream after P.E class? I need to eat something cold.

Khansa: As far I know, eating ice cream after working out is not a great idea. We may get sick later. How about orange juice?

Karim: Sure! Let's buy orange juice then.
