

Parts of the Body

"Match the body part with the correct description. Click on the microphone button and say the word in English. Make sure to speak clearly so the computer can hear you!"

Let's see how much you know — you can do it!"

- I use it to see the world around me.
- I use it to smell flowers.
- I use it to hear music.
- I use it to taste my favorite food.
- I use it to speak with my friends.
- I use them to hold things.
- I use it to think and learn.
- I use them to walk and run.
- I use it to write and draw.
- I use them to touch and feel.

- I use it to smile.
- I use it to carry my backpack.
- I use them to clap when I'm happy.
- I use it to bend my leg.
- I use it to stand tall.
- I use them to kick the ball.
- I use it to lift weights.
- I use them to blink.
- I use it to wink at my friend.
- I use it to hug my family.
