- Goal 5: Gender Equality*
- Goal 2: Zero Hunger*
- Goal 13: Climate Action*

B. Read each question carefully and choose the best answer.

7. In your neighborhood, people throw trash in the park. You and your friends want to change that. **What is the best democratic way to help solve the problem?**

- Shout at people who throw trash
- Write a letter to the municipality and organize a clean-up day
- Ignore it, it's not your problem

8. At school, the student council is choosing a new activity for all students. Some want a sports day, others want a talent show.

What should you do to participate democratically?

- Only support your best friend's idea
- Listen to everyone and vote for what you think is best
- Tell others their ideas are bad

9. The town wants to build a new skatepark, but some neighbors are worried about noise.

What can young people do to be part of the solution?

- Protest loudly to get what they want
- Talk with both sides and suggest rules like time limits for using the park
- Ignore the neighbors' opinions
