

Element Organizer: Where Do They Belong?

Below is a list of element symbols. Your task is to identify and fill in the missing information for each element:

- **Atomic Number**
- **Period Number** (horizontal row on the periodic table)
- **Group Number** (vertical column on the periodic table)
- **Type of Element** (Metal, Nonmetal, or Metalloid)

Element Symbol	Atomic Number	Period	Group	Type of Element
H	1			
Na			1	
Cl				Nonmetal
Mn		4		
Au			11	
K	19			
W				Metal
B		2		
S	16			
Fe			8
