Asia continents snows temperature warmest weather world

- A: Hi. I'm Martin from "Teen Travel" magazine and we're talking to teenagers from different cities around the world. What's your name and where do you come from?
 B: Hi. I'm Leyla and I come from Istanbul in Turkey.
 A: So what's interesting about your city?
 B: Well, Istanbul's unusual because it's in two continents. The old part of the city is in Europe and the new part of the city is in Asia.
 A: That is unusual! What's the weather like in your city?
 B: It changes at different times of the year. Well, in Istanbul summer starts in June and finishes in September. July is usually the warmest month. The temperature is usually around 28°C.
 A: And does it get cold in Istanbul?
 B: Not until the middle of December. It usually gets cold in winter. The weather starts to get warmer again in March.

5 Complete the interview. Write one word for each gap.

How ADVENTUROUS are you, really?

Katie is a lucky fourteen-year-old. She has been all over the world with her parents. We asked Katie to talk to us about some of her adventure holidays.

How many adventure holidays have you had on?

Six. I went on my first adventure holiday when I was seven.

Wow! Have you got a favourite holiday?

Not really. I enjoyed all the holidays. I love animals, so our last holiday was fantastic – we went on safari in Tanzania.

Have you had a scary experience on one of your adventure holidays?

Yes. When we were on safari in Tanzania an elephant ran towards our jeep. That was scary, but also amazing!

What kinds of activities have you done on holiday?

Well, my family loves extreme sports. We've been ice climbing in Canada, snowboarding in the desert in Dubai and surfing in Australia.

Fantastic! So why do you like adventure holidays so much?

You're never bored! I've seen lots of amazing places and done brilliant things on my holidays. I've been on a beach holiday – and I don't want to! I love adventure holidays!
