8. The capital of Egypt is
9. The capital of Russia is
10. The capital of Vietnam is
11. The capital of Australia is
12. Russian people speak
13. Australia people speak

Task 3: Listen and write Yes / No.

Russian

Russia is the largest country in the world. It's bigger than Canada. The people in Russia are called Russians and the official language is Russian. The capital city is Moscow.

Russia shares borders with 16 countries like North Korea, China, Norway, Ukraine and many more. It's the only country with so many borders. The population in Russia is about 150 million people. Russia has the longest river in Europe, the Volga, and the longest mountain, Ural.

In winter, the days are very short and the nights are very long. Russia is close to the North Pole so the sun rises at 8 o'clock in the morning and goes down at 4 in the afternoon. It's very cold and snowy. In summer, the days are very long and the nights are very short. The sun rises at 4 o'clock in the morning and goes down at 10 at night. The weather is warm but sometimes it rains.

1. Russia is smaller than Canada.
2. The capital city is Moscow.
3. The Volga isn't the longest river in Europe.
4. The Ural is the longest mountain in Europe.
5. In winter, the days are very long and the nights are very short.
6. In summer, the sun rises at 4 o'clock in the morning and goes down at 10 o'clock at night.
