Tilly's blog Maker Faire, day one

Maker Faire is a "do-it-yourself" technology and creative arts event in San Mateo, California, in the U.S.

Paige, Evan, and I have been crazy about technology **for** / **since** years, and we've been excited about the Maker Faire ¹ **for** / **since** months! I bought ² **my** / **mine** ticket last year and Paige and Evan got ³ **their** / **theirs** a few months ago.

I've been here ⁴ **for** / **since** 9:00.

I haven't sat down ⁵ **for** / **since** hours!

⁶ **For** / **Since** we got here, I've done lots of cool things, from playing with robots to 3-D printing.

Paige is going to try it tomorrow. She wants to make a 3-D "Yoda" for ⁷ **her** / **hers** brother.

I've taken lots of pictures ⁸ **for** / **since** I arrived, but most are terrible. Paige is going to upload ⁹ **her** / **hers** later!
