A Busy Family

The Johnson family lives in a quiet neighborhood near the city. Mr. Johnson is an engineer. He works for a company that builds bridges and highways. He usually leaves home at 7:00 a.m. and comes back around 6:00 p.m. Mrs. Johnson is a freelance writer. She writes articles for health and travel magazines. She works from home, but she also takes care of the house and the children.

They have three kids: Olivia, Ethan, and Mia. Olivia is 16 and enjoys playing the piano and painting. She practices every day after school. Ethan is 13 and plays soccer for his school team. He trains three times a week. Mia is only 6, and she likes helping her mom in the kitchen. She also watches cartoons in the afternoon.

The family doesn't eat dinner very late because the kids go to bed early. Every Friday night, they watch a movie together and eat homemade pizza. On Sundays, they visit Mr. Johnson's parents, who live nearby. The Johnsons are a very active and loving family, and they always find time to be together despite their busy schedules.

- 41. Mr. Johnson is a civil engineer and works from home. T F
