

My Favourite Community Helper

20

Listen and read. Then answer.

Miss Taylor is our school bus driver and she is my favourite community helper because she is the friendliest person I know. She always has the biggest smile on her face.

Miss Taylor is a very busy woman. She gets up early every day to clean the school bus and check the tyres. Then she has to go around town and pick us up for school from six different bus stops. She always plays music for us on our way to school. Her favourite singer is Taylor Swift.

Miss Taylor loves music and in her free time she is a DJ at the local radio station! She calls herself 'DJ Tale'! She also loves singing and she is the lead singer in an all-girls band! With her friendly smile and her love of music, Miss Taylor is the best bus driver I know! I like her a lot!
