## How Do You Go to School?

1 I live in Bangkok, and I go to school by boat. There are a lot of canals here, and there are a lot of boats on the canals.

Sunan

**2** Here in Mexico City, there are a lot of cars on the streets. Going by car is slow. I always go to school by bus. It's fast, and the bus stop is near my school.

Carmen

**3** I go to school by subway train. It goes under the ground. There are a lot of subway trains here in New York, and there are 468 stations! One of the stations is very close to our apartment.

Sophia

**4** I live in Amsterdam, and I go to school by bike. My friends ride their bikes, too. There are a lot of "bike streets" here – streets without cars. They're safe, and it's good exercise.

Lars

## Do a class survey. Ask and answer.

Sam, how do you go to school?

I go to school by bus.

What other ways can you use to go to school? Are they fast or slow?
