My name is Emma. I am ten and I am from the USA. I live in New-York. It's the biggest city in the USA. I'm a student. I go to school near my house. My class is the smallest in the school. There are twenty students: eleven boys and nine girls. I have two best friends in my class. Their names are Hanna and Sam. Hanna is younger than me. She is nine. She is the youngest in our class. Sam is older than me and Hanna. He is eleven. Hanna is taller than me and Sam is taller than Hanna. I'm the shortest. We like to study. My favourite lessons are Art and Maths. Hanna likes English and Reading. Sam likes History and PE. Hanna and Sam hate Music but I like it. I can play the piano because I go to Music school three times a week.

I have a big family: mum, dad, two sisters: Anna and Kate and two brothers: Nick and Tom. My brothers are older than me. Nick is twenty years old. He is the oldest. Tom is eleven. He is older than me but younger than Nick. My sister Anna is older than me too. She is fifteen. Kate is the youngest in our family. She is only seven.

My dad is a dentist and my mum is a teacher. My mum is the most intelligent in our family. She works in the university. My dad is fifty years old and my mum is forty-nine. My dad is older than mum and he is the oldest in our family.
