Question 6. Read the text and decide these following sentences are True or False.

My countryside town was very different in the past. There were fewer shops and no cinema. When my Grandmother was 18, she left my town and moved to the city. The city was bigger and busier. There were more job opportunities for her. One day, she got a job in a clothes shop. She was very happy because there were lots of clothes for her to try on and buy. It was very busy and there were lots of customers. Often, she was very stressed. There was always lots of work. In the end, she decided to go back to the country because there were lots of fields and trees, and it was quieter and more peaceful.

1. Her countryside town had many shops and cinemas in the past.

2. Her grandmother left her town when she was sixteen.
3. There was no job for her grandmother in the city.
4. She was stressed when she worked for a clothes shop.
