Come slide down rainbows in the ____, let's fly away
Like a ____, you're free to see the boundless face of the earth

Let the wind blow you like a kite and glide away
Far beyond the clouds you'll find another place

If the road ahead you seems so cold and ____

When night never turns to day,
don't you be afraid go ____ away

Cha-la! head cha-la!

No time to hesitate, go on and search the earth

Within it lies a magic ____, oh!

Cha-la! head cha-la!

Be cool, don't be afraid, you've got the power

To get you through the darkest night

Cha-la!

Zooming round n' round the endless sky

Like a coaster

Hold on tight

Or you may find yourself trapped in a maze

When that happens, you may think

you won't ever find your way

As the paths that you may take all seem the same

If the road ahead you seems so cold and gray

When night never turns today

don't you be ____, go fly away

Cha-la! Head cha-la!

No time to ____, go on and search the earth

Within it lies a magic surprise, ooh!

Cha-la! head Cha-la!

Be cool, don't be afraid you've got the ____

To get you through the night, oh!

Cha-la! head cha-la!

No time to hesitate, go on and search the earth

Within it lies a magic surprise

Cha-la! head cha-la!

Be cool, don't be afraid you've got the power

To get you through the ____

Cha-la!
