

3. Connect both columns to make a sentence with modal verbs of obligation

Children must not bring	park in this street.
You should go	take out the rubbish.
You must not	their phone at school.
Children have to bring	to the party.
You must	their own material to study at school.

4. Choose the right modal verb of probability in each sentence.

- He \_\_\_\_\_ be Michael. He is London. (can't/must)
- I don't find my keys. They \_\_\_\_\_ - be at home. (might/must)
- She \_\_\_\_\_ have a lot of money. He has a Ferrari. (must/could)
- They are late. They \_\_\_\_\_ be lost. (could/can't)

5. Write three sentences using modal verbs by yourself. Feel free to write what you think. GO, YOU CAN!
