Instructions: Read the passage below. Take notes in the space provided.

Take Notes Here

Summer is finally here! Lily smiles. "I love summer! I can spend all day painting, drawing, and reading my favorite books." Tom nods. "Me too! Summer is the best."

"What do you like to do outside?" Lily asks. Tom thinks for a moment. "I like playing football with my friends. We have so much fun running around. I also like playing basketball. Sometimes we even go swimming at the pool. It's so cool and refreshing!"

"Lily giggles. "I like cycling with my family. We ride our bikes to the park. My grandma likes gardening. She grows the prettiest flowers!"

"When it's too hot to be outside," Tom says, "I like to stay inside and dance to music. It's silly, but fun! Sometimes, I try singing along, even though I'm not very good."

"That sounds fun!" Lily says. "I like playing the piano, but I'm still learning. My mom enjoys cooking, and we always take photos of our yummy food."

Tom grins. "I've started collecting stamps. It's like a treasure hunt! And sometimes, I enjoy playing computer games when it rains."

Lily and Tom look at each other and smile. "Summer is so much fun," Lily says. "There's so much to do!" Tom agrees. "I can't wait to make more summer memories!"
