**VIII. Read the following passage and choose the letter A, B, C, or D to indicate the correct answer for each of the following questions.**

Ha Long Bay is a UNESCO World Heritage site in Quang Ninh province, in the northeast of Viet Nam. It has got over 1,600 islands and islets. Among many ancient fishing villages in Ha Long Bay, only Cua Van floating village remains. All the houses and buildings in the village float on huge wooden rafts.

The villagers spend their days fishing and looking after the sea life. Then they sail to the mainland to trade their fish for things like food, drinking water or clothes. Most children go to floating schools and then spend the rest of their time learning important skills like swimming and fishing. They also help out their parents as much as they can.

Their lifestyle may seem strange to many people, but it's so wonderful to live among such natural beauty and know you are protecting it. The villagers are able to help preserve their beautiful bay because they live directly on the water.

28. Which statement is true according to the passage?

- A. There are more than 1,600 islands in Ha Long Bay.
- B. All ancient fishing villages in Ha Long Bay have disappeared except for Cua Van village.
- C. The villagers of the floating village make clothes themselves.
- D. The villagers find it boring to live on the water.

- B. the ancient people
- C. the villagers
- D. the sea life

30. What is special about the schools that most children in the fishing village go to?

- A. They are on the mainland.
- B. They sell food, drinking water or clothes.
- C. They teach important skills like swimming and fishing.
- D. They are on the water.

31. Why do the villagers have the ability to preserve the beautiful bay?

- A. Because they are taught to do so.
- B. Because they live among the nature.
- C. Because they live right on the water.
- D. Because they don't like to live on the mainland.

32. The word "preserve" closely means \_\_\_\_\_.
