Activity 1

Answer the following reading and viewing questions based on the story. Good luck!

Once upon a time,
in a quiet forest, there lived a clever fox named Falen. Falen was fast, smart, and proud of his sharp eyes. He believed he didn't need help from anyone.

Every night, the fireflies lit up the forest paths to help the small animals find their way. But Falen laughed at them.

"Tiny lights like yours are useless," he mocked. "I can see in the dark just fine."

The fireflies were kind and didn't argue.

One night, Falen went hunting. He chased a rabbit deep into the forest and didn't notice how far he had gone. Suddenly, clouds covered the moon, and the forest became pitch black.

Falen tried to find his way back but couldn't see anything. He bumped into trees, tripped over roots, and felt completely lost.

Just when he was about to panic, soft lights appeared in the darkness. It was the fireflies.

Without saying a word, they flew ahead, lighting the path. Falen followed their gentle glow through the forest until he was safely home.

He lowered his head and said,

"I was wrong. Your light may be small, but it's powerful and kind. Thank you."

From then on, Falen never mocked others again. He even helped protect the fireflies during the day, and they stayed friends forever.

Good luck!

The Clever Deer and the Greedy Tiger

In a dense jungle, a clever deer named Lila lived peacefully. One day, a greedy tiger named Raka set a trap near the river, hoping to catch Lila for his dinner. He covered a deep hole with leaves and waited nearby.

As Lila walked to the river to drink, she noticed something strange. The ground looked uneven, and some leaves seemed freshly placed. She became suspicious.

Lila decided to test the ground. She picked up a small rock with her hoof and threw it onto the leaves. Suddenly, the ground collapsed, revealing a deep hole!

Hearing the noise, the tiger rushed out from his hiding spot. "You cannot escape now, Lila!" he growled. But as he ran toward her, he stepped on the same weak ground and fell into his own trap!

The tiger roared in frustration. "Help me, Lila! Please get me out!" he begged. But Lila shook her head and said, "You tried to trick me, but your own greed led to your downfall. Next time, think before you act!"

Lila happily left the area, knowing she had outsmarted the greedy tiger. From that day on, Raka never tried to trick animals again, and Lila continued living wisely in the jungle.
