Read the following text

Once upon a time, there was a poor woodcutter who lived near the forest. One day, while cutting a tree near the river, his axe slipped and fell into the water. Suddenly, a fairy appeared and offered him a golden axe. The man refused and said that it was not his. The fairy then gave him a silver axe, and again he refused. Finally, she gave him his old axe, and he took it happily. The fairy was impressed by his honesty and gave him all three axes.

9. What is the moral value of the story?

A. Greed will lead to success

B. Honesty is the best policy

C. Always accept what you are given

D. Never talk to strangers

10. Based on the previous story, what can we learn about the woodcutter's character?
