

Complete the conversation with the sentences from the box (A - F).

- A. Are there any examples for this?
- B. Do you have any ideas on how to protect our precious flora and fauna?
- C. Destroying habitats takes away homes for plants and animals and disrupts entire ecosystems.
- D. Each of us can also raise awareness about the importance of biodiversity.
- E. The loss of habitat is one of the biggest threats to biodiversity worldwide.
- F. Do you have any suggestions?

Maria: I'm preparing a presentation on threats to Earth's flora and fauna. (1)

Harry: Hmm... There are threats caused by human activities such as habitat loss and pollution.

Maria: Habitat loss seems to be a major issue. (2) _____

Harry: Exactly! (3) _____

Maria: You're right. And what about pollution? (4) _____

Harry: I recommend you give examples of plastic pollution in our oceans, and how birds and mammals are being affected by oil spills.

Maria: OK, I'll think about it. (5) _____

Harry: A lot of things to do. However, as a student we should support conservation efforts through donations or volunteering.

Maria: Good idea! (6) _____

Harry: That's right. I think your presentation is complete now.

Maria: Thanks for your help.
