

# ENGLISH – UNIT 1

## QUESTION 01

Read the text and circle **TRUE** or **FALSE**.

The insects I liked the most were the fireflies. They are awesome! They live in hot and humid places and are usually active at night. Their bodies are brown and they can produce red, green, blue and yellow light. They are so beautiful insects.

1. Fireflies do not have brown bodies. **TRUE / FALSE.**
2. Fireflies usually active at night. **TRUE / FALSE.**
3. Fireflies can produce red, green, blue and yellow light. **TRUE / FALSE.**
