C. Share Your Experiences (Use Present Perfect)

Write 6–8 sentences using the present perfect tense to describe the experiences your group has had in this place.

Examples:

- We have explored ancient temples in Ubud.
- Our team has tried paragliding over the beach.
- We have eaten traditional Balinese food at a night market.

Your group's sentences:

1. _____

Second Activity	What cultural experience have you had?
Food Segment	What new food have you tried?
Volunteering/Challenge	Have you helped with anything? Faced any challenges?
Reflection	What have you learned from the trip?

E. Presentation Preparation

Prepare to **present your vlog** to the class. Choose who will speak for each part. Use visual aids (drawings, slides, props, or images) if available.

F. Reflection (After Presentation)

Answer individually:

- What was the most interesting thing another group presented?
- What new vocabulary or grammar did you use today?
- How confident are you now using the present perfect tense
