Dear Diary,

I am so proud of myself today. Some girls tried to bully me. They wanted me to give them some money but I **refused** to do so. They got angry and **scolded** me loudly. Although I was angry, I did not yell back. I just walked away. I am going to tell my parents about the bullies later this evening.

Love,

Linda

Dear Diary,

I am very happy today. My classmates helped me when the bullies were teasing me. One of the bullies pulled at my **crutches**. The other two girls **jeered** and laughed at me.

'Stop it! Stop **bullying** her or we will tell our teacher,' my friends shouted. Although the girls **stared** fiercely at us, we were not afraid. I thanked my friends profusely.

I am glad the day ended well.

Love,

Linda
