# Used to\ Be used to\Get used to

**We use used to + infinitive to refer to past habits or states. In such cases, used to can be replaced by the past simple with no difference in meaning.**

**Used to + infinitive** — це конструкція, яка означає дію або стан, що регулярно відбувалися в минулому, але тепер більше не відбуваються.

**+ He used to go out a lot when he was younger. (He doesn't any more)**
**? Did** she **use to spend** a lot of money when she was single?
**- She didn't use to smoke when she was younger.**

We use the **past simple**, and not **used to**, for **actions** which happened **at a definite** time in the past.

He **visited** Paris *last month*.

# Be\get used to + noun\pronoun\ – ing form
