Complete the script with the words above

This week's question is from Luis in Honduras.

How can you be _____ in business?

Bethany, what answers do you have for us?

Well, Neil, there's a book called "The 7 Habits of Highly Effective People", by Stephen R. Covey.

In his book, Covey says that, one,
these people are _____;

two, they think about the future;

three, they know what is important;

four, they –

But we know what they think.

Can't you tell us what they do?

What are their _____, their daily routines?

OK, sure.

Well, they _____ early every day,

5 o'clock is normal.

Tim Cook often gets up at 4:30 and is at the gym by 5.

That figures.

They don't wear normal clothes for business people.

Seth Godin wears _____ of different colors.

OK

They often have interesting_____.

Warren Buffett plays the ukulele –

The what?

The ukulele, you know, like a small_____.

Sergey Brin does acrobatics, like circus acrobatics.

But a lot of them have one thing in_____.

What?

The way they set their phones at night.

Sheryl Sandberg, and some of the others on our list,

doesn't look at her _____ at night.

She needs to relax after a day at work.

So the habits of successful business people ...

Mostly, they're all_____.
