Habilidad: Clasificar

Last night, my mother came back from the supermarket with some milk, eggs and sugar. I didn't know what she was planning to do, but I didn't mind. As I kept looking, I saw that she had also bought some chocolates and some juice. I was so happy, but I needed to wait for her permission first. My plan was to watch a movie and eat something, so I waited for her. Then, she told me that she had also bought a pizza for me, making it an excellent night.

Countable

Uncountable

4. Circle the quantifiers in the text. (4 points)

Habilidad: Identificar

I went to the store, and the lady at the counter asked me, 'Would you like some cheese?' I said no, as I was looking for something else. Then, I asked her, 'Do you have any orange juice left?' She told me that the juice was in the next aisle. I walked over but couldn't remember how much juice I needed to buy, so I had to call my mother and ask her. She simply said, 'I need a lot of juice,' and hung up. That didn't really solve my problem.
