

# "THE BEST DAY" Song Activity for Mother's Day

## Task Two: Click the correct words

I'm five years old, it's getting cold  
I've got my big coat on, I hear your call / laugh  
And look up smiling at you, I run and run  
Past the pumpkin patch and the tractor rides  
Look now, the sky is gold! I **embrace** / **hug** your legs  
And fall asleep on the way home

I don't know why all the trees change in the fall  
But I know you're not **scared** / **afraid** of anything at all  
Don't know if Snow White's house is near or far away  
But I know I had the **best day** / **time** with you today

I'm **thirteen** / **fourteen** now and don't know how  
My friends could be so mean  
I come home crying and you **hold** / **hug** me tight  
And grab the keys and we drive and drive  
Until we found a **town** / **city** far enough away  
And we talk and window shop till I forgotten all their names

I don't know who I'm gonna talk to now **in class** / **at school**  
But I know I'm laughing on the car ride home with you  
Don't know how long it's gonna take to feel **all right** / **okay**  
But I know I had the **best day** with you today

I have an excellent **dad** / **father** -His strength is making me stronger  
God smiles on my little brother inside and out he's better than I am  
I grew up in a **pretty** / **lovely** house and I had space to run  
and I had the **best days** with you

There is a video I found from back when I was **three** / **five**  
You set up a paint set in the kitchen and you're talking to me  
It's the age of princesses and  
**dragon** / **pirate** ships and the seven dwarfs  
And Daddy's smart  
and you're the prettiest lady in the whole wide world

And now I know why the all the trees change in the fall  
I know you were on my side even when I was **wrong** / **bad**  
And I love you for giving me  
your **heart** / **eyes** staying back and watching me shine and  
I didn't know if you knew so I'm taking this chance to say  
That I had the **best day** with you **today** / **that day**
