GRAMMAR PART

A_ Complete the text with the Full Infinitive or the "ING" form of the verbs in brackets.

teen hangouts

What's the best place for modern teenagers (1) _____ (hang out)? Teenagers used to gather in large shopping centres, parks or even on street corners. But now new research has shown that teenagers prefer (2) _____ (spend) their time in or around modern buildings. For example, in London, teens like (3) _____ (meet) at the skate park below the Royal Festival Hall or the café in the Oxford Circus Topshop; this has a large space for (4) _____ (display) trendy new fashions and there are screens showing fashion shows and music videos. In Manchester, the place (5) _____ (be) is the space outside Urbis which is a trendy modern gallery devoted to cities and their street life. Teenagers want (6) _____ (go) to places that are cool and entertaining and, most importantly, where there are no adults or young kids.

The modern teenager is constantly using some form of communication (7) _____ (chat) with friends such as a mobile or the Internet. Therefore, an ideal space would (8) _____ (have) computers, an area where they can (9) _____ (see) films and (10) _____ (listen) to music and also a café. A British gallery has already designed a space specifically for teens. The Wolverhampton Art Gallery has an area decorated with brightly coloured pop art prints, while films are projected onto the white walls. Public libraries in America have also designed some very cool teen spaces. For example, it's worth (11) _____ (check out) the teen section of the Jacksonville library in Florida where there are various social activities available for teens (12) _____ (take) part in. The space is designed with bright modern furniture, and there are collages on the walls. It is interesting (13) _____ (note) that London's Tate Modern is also planning (14) _____ (design) a teen space within its gallery.

B_ Read the text and complete the blanks with the correct form of the words in capitals.
