LIVEWORKSHEETS

Last week, our class went on a school trip. In the morning, we went to a science museum to learn about planets in the solar system. We looked through a telescope to see the stars. Then, we had lunch and talked about the trip. In the afternoon, we took a bus tour around the city. We saw many famous buildings, parks, and bridges. The tour guide told us interesting facts about the city. We took lots of pictures and had a great time. In the evening, I felt very tired and had a headache, but it was a wonderful day!

1. What did they learn about at the museum?

A. Animals
B. Ancient history
C. Planets in the solar system
D. Famous buildings

2. What did they use to see the stars?

A. A microscope
B. A telescope
C. A telephone
D. A camera

3. What did they do in the afternoon?

A. They visited a castle
B. They took a bus tour
C. They went to a restaurant
D. They played in the park

4. What did the tour guide tell them about?

A. Interesting facts about the city
B. How to use a telescope
C. The names of the planets
D. The best restaurants in town

5. How did the writer feel in the evening?

A. Excited
B. Happy and full of energy
C. Tired and had a headache
D. Bored
