Directions: Read below passage and choose True or False.

Lily's family lives in a small town. Her father's bakery is famous for its fresh bread and delicious cakes. Every morning, Lily helps arrange the shop's display. Her old brother's job is to deliver bread to the town's grocery store while the youngest brother cleans the shop.

Once a year, the mayor's daughter visits the bakery. She brings a chocolate cake for her friend's birthday. She says her friend's favorite dessert is chocolate, especially from Lily's father's bakery.

After work, the family visit the Grandma's house. They sit on the porch's swing and watch the sunset. The family's dog wagged its tail happily as it played with the neighbor's cat.
