Exercise 1: Unscramble the letter paragraphs in the correct order in column B

We don't only go to cafes – every day here is busy, but very fun. In the mornings we visit different museums or churches, and in the afternoons we walk around the city and taste the yummy food! We also take a lot of pictures. In the evenings we meet new friends at the hostel and we eat pizza or yummy pasta.

Hello from sunny Rome! We are on holiday here for a week and we love it – it is very beautiful! And everything is very tasty!

Dear Mimi,

I wish you were here with me! I can't wait to see you next week!

Hugs and Kisses,
Romi

Right now I am sitting in a small café near the Pantheon. I'm drinking an Aperol Spritz and I'm having amazing prosciutto. There are a lot of people, but the café is calm – everyone is taking photos of the pantheon!
