

## BITCOIN #2

### Learn Vocabulary from the Lesson

- at the end of the day: *It's a program **at the end of the day**.* At the end of day means ultimately and refers to a conclusion. Notice the following:
  1. It doesn't matter what you think. It is her decision at the end of the day.
  2. At the end of the day, he is a part of the family.
- household word: *It's kind of becoming a **household word**.* A household word is a popular word that is used by everyone. Notice the following:
  1. Facebook is now a household word.
  2. Texting has been a household word for years.
- has a say: *There's no government organization that really **has a say**.* Having a say in something means to have a power over something. Notice the following:
  1. Everyone should have a say in deciding their own future.
  2. She should have a say in what type of cake to get.
- big hurdle: *So there's a **big hurdle**.* A big hurdle means an obstacle. Notice the following:
  1. She had to cross a big hurdle to get a job.
  2. The project was a big hurdle in achieving her dream.
- user-friendly: Makes it more **user-friendly**. When something is user-friendly, it is easy to use. Notice the following:
  1. They made a user-friendly app for older adults.
  2. Its user-friendly screen was a hit with everyone.
- obsessing over it: *Just really **obsessing over it**.* When you obsess over something, you spend too much time and effort on it. Notice the following:
  1. She was obsessing over the details of the party.
  2. He obsessed over his project till it was perfect.
