Tra ID Đề [5807] - Tra ID Video [5808]

Scientists in Antarctica have used a new (1) _____ to help them study penguins close-up: a tiny robot on wheels that looks like a baby penguin. The robot, (2) _____ to those used in the (3) _____ of the moon and Mars in recent years, provided lots of exciting new information about the birds. Scientists, working some distance away, controlled (4) _____ moment the robot made and it was immediately accepted by penguin families as one of them. The adults even sang to it, though to the great disappointment, the 'baby' didn't reply. The scientists are now working (5) _____ a new model with one important improvement - it will be able to play penguin songs.

Question 1:	A. invention	B. inventor	C. invented	D. invents
Question 2:	A. different	B. similar	C. welcome	D. addicted
Question 3:	A. discovery	B. cruise	C. exploration	D. holiday
Question 4:	A. many	B. some	C. few	D. every
Question 5:	A. for	B. in	C. by	D. on
