ORGANIZE THE NEXT SCRIPT

- **Luis:** Good idea. If we talk to the teacher tomorrow, she'll help us organize everything and book the bus early.
- **Ana:** True! But if it rains, we'll need a backup plan. Maybe we can visit the science museum or go bowling instead.
- **Ana:** Hey Luis, the teacher said we can plan a class trip next month. If we choose a good place, everyone will be excited to go.
- **Ana:** And if we make a fun presentation, the whole class will agree on the plan. Let's work on it tonight!
- **Luis:** That's awesome! If the weather is sunny, we'll definitely enjoy a day at the lake. We could have a picnic and play games.
