

Emma and Jack's Adventure - Grade 5 (Level A2+)

Emma and her brother Jack were visiting their grandparents for the summer. Their grandparents lived near a big forest filled with trails. One morning, Emma suggested they explore a new path. Jack was nervous, but followed her. As they walked deeper into the forest, they heard birds singing and saw a deer. After a while, they reached a small lake. They sat down, ate some snacks, and took pictures. On the way back, they used a map to avoid getting lost. That night, they told their grandparents all about the adventure.
