To communicate well with people of (1) _____ countries, you must learn to speak well, right? Yes, but speaking isn't everything. Some experts say only thirty percent of communication comes from talking. Your (2) _____ and other non-verbal actions matter, too. Everyone around the world knows the "OK" hand sign, don't they? But in Spain, parts of South America, and Eastern Europe, the OK sign is considered rude. And if you go shopping in Japan, it means you'd like your change in coins instead of bills. In France, making the OK sign means "zero" or that something is (3) _____. So check before you use the OK sign to be sure it's OK! Understanding even (4) _____ key gestures from different cultures can make you a better communicator. So next time you travel, try being culturally sensitive. Find out the local gesture and (5) _____ your body talk.
