Exercise 2. Fun Time

Read the following conversation and answer the questions about giving *directions* to places. Analyze each question to answer and answer some questions in third person.

Example in third person:

He **plays** basketball

One day in Mark's life…

Mark - I'm at school. I want to watch a movie now. But I don't have cash, just a credit card. Well, I pay with the credit card. Oh, excuse me.

Jhon - Yes, can I help you?

Mark – Yes, please. Where is the nearest cinema?

LIVEWORKSHEETS

Jhon - Oh, I'm sorry. There is not a cinema here.

Mark - Oh, my God. Well, is there a bank near here?

Jhon - Yes, of course. From here you go down and walk two blocks. Then, you turn right, and the bank is opposite the post office.

Mark - Oh, very good!!! And one more question... and a supermarket here?

Jhon - Yes, there are two supermarkets. The first one is next to the bank. And the second one, you go up this street, then, you turn left at the corner and walk three blocks and across the street there is a supermarket.

Mark - Ok, thanks.

Jhon - You're welcome.

Mark – Well, the supermarket next to the bank is best option. I buy cookies and milk and watch a movie at home.
