# WHO'S WHO IN MAMMA MIA?

Sophie lives on a Greek island with her mom, Donna. She is getting married to Sky, but she wants her real dad to take her to the wedding. Sophie finds her mom's old diary and invites three men—Sam, Bill, and Harry—because one of them might be her father. Sam is an architect and serious, Bill is a fun travel writer, and Harry is a kind and shy banker. Donna is very surprised when they arrive. Luckily, her two best friends, Tanya and Rosie, come to help her. Tanya is stylish and dramatic, and Rosie is funny and loves food. In the end, they all have fun, sing, and dance. Sophie doesn't get married, but she learns that she has a big, loving family.
