It all happened by accident. I was in a \_\_\_\_\_, looking at some shirts. I saw one I really liked, but then someone else came and took it. I was going to start an argument about who had seen the shirt first when I realised I was looking at that \_\_\_\_\_ from TV, the one who does all those amazing \_\_\_\_\_. It was really embarrassing because I said something like 'Oh, I didn't expect to see you here,' and he \_\_\_\_\_, 'I didn't expect to see you here \_\_\_\_\_!' He saw the funny side of the situation and made a few \_\_\_\_\_. But he took the shirt I wanted, which wasn't nice!

It was at the end of the \_\_\_\_\_ and I was walking to the bus station. I saw someone who looked \_\_\_\_\_ to that actor who won all those \_\_\_\_\_ last year. She was standing on the street looking \_\_\_\_\_. I didn't think it was actually her, because, well, why would she be near my \_\_\_\_\_ bus station? Also, the woman I saw looked a bit older and \_\_\_\_\_ than the actor from the movies. So I just kept walking without saying anything to her. Then several months later, I found out that they'd made a \_\_\_\_\_ in my hometown, \_\_\_\_\_ – guess who – the actor I'd seen. I felt so stupid when I realised what had happened!

I'm a \_\_\_\_\_ in a very good hotel, and all sorts of rich and famous people have stayed there. I've got used to seeing them over the years, and I don't usually pay much attention when \_\_\_\_\_ check in. Most of them act like normal people and don't want any attention. But I'll

never forget the time a singer from a famous \_\_\_\_\_ was in the hotel. When I saw him come in, I thought there would be some kind of \_\_\_\_\_. I don't like his music at all, and he's got a reputation as being a bit of a '\_\_\_\_\_' – he's always in the news for some reason. I imagined he would be a \_\_\_\_\_ person to have as a guest in a hotel. But in reality, he was lovely – \_\_\_\_\_, even, and he definitely didn't want to draw attention to himself. I saw him carrying an old man's \_\_\_\_\_ when there was no one else around to help, which was really nice!

My claim to \_\_\_\_\_ is that I'm close friends with one of the most famous social media \_\_\_\_\_ – at least, famous in the world of \_\_\_\_\_ videos. We went to school together and we've been \_\_\_\_\_ ever since. When she told us that she wanted to become a social media influencer – especially on the \_\_\_\_\_ of food – we thought she was \_\_\_\_\_, because – as far as I knew – she'd never been interested in food. But to be \_\_\_\_\_, she's worked hard and has created some amazing videos. Now she's got \_\_\_\_\_, and she's making quite a lot of money. So who's \_\_\_\_\_ now?

The nearest I've ever come to meeting anyone famous was about \_\_\_\_\_ years ago. I went round to my friend Clara's house. She was \_\_\_\_\_ her cousin. He was only about two at the time. He was a lot of trouble that day, \_\_\_\_\_ things on the floor, \_\_\_\_\_ drinks and food. He even got some pens and started writing on the \_\_\_\_\_. It took us ages to tidy everything up. But anyway, the other day Clara sent me a link to a video of a band \_\_\_\_\_ at a huge music festival. One of the \_\_\_\_\_ in the band was none other than her cousin. It \_\_\_\_\_ he's pretty famous nowadays!
